

# MEUSAC as a platform for dialogue

---

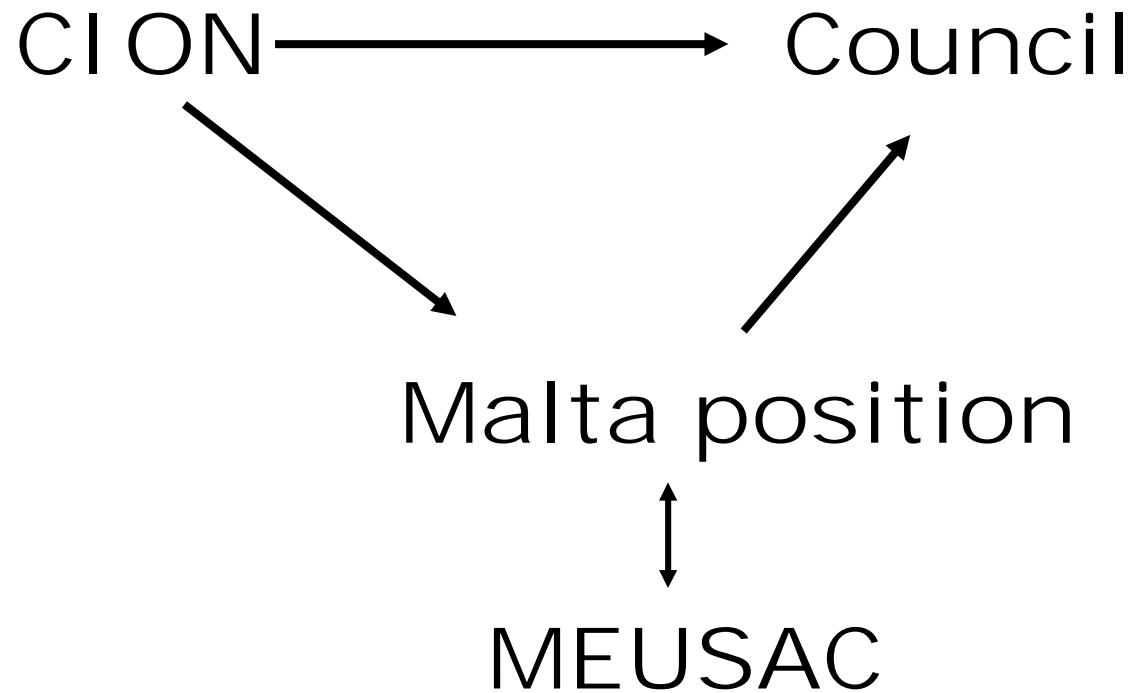

4 August 2009

**Malta-EU Steering & Action Committee**

# Where do we fit in?

---

## What is being done to date?

---

- Regular updates by email to SC members
- Committee meetings for SC members
- Open consultation sessions for stakeholders
- Open channel particularly by email
- Invitations to organisations to get involved

## Are there other ways to get your views across?

---

Yes, including by:

- Participating in CION consultation exercises
- Raising your views through affiliation with a European organisation etc
- Contacting your MEP
- Conduct bilateral discussion with relevant Ministries

# The benefits of using MEUSAC

---

- Established by Government, provides access to documentation and facilitates dialogue with relevant government officials
- Facilitates discussion with other stakeholders in the field
- Facilitates interaction among constituted bodies, political parties and CSOs
- Maintains regular contact

## Where do we go from here?

---

Ideas to be considered:

Increase the link between CS reps  
on the CG and SC members

Increase the link with MEPs, EESC  
and CoR representatives

## Where do we go from here?

---

Tackle matters with cross-sectoral reach expected to crop up in the coming months

Encourage own-initiatives to set up focus groups by sector
